DECEMBER 2009

Diamond Edge Band Our New House Band!

Diamond Edge Band has taken up residence at the Hillsborough Family Moose Center.

Stephen "Big Daddy" Winston is one of our newest members. We welcome him and his band to our neck of the woods.

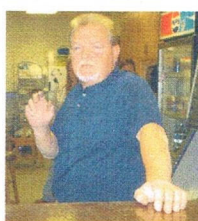

On November 21st, the band played at the Western Dance. The evening was a huge success! There were over 109 in attendance. Food was donated by the co-workers. Carolyn Donovan and her committee did a wonderful job decorating the hall. The dance floor stayed full all night! This was a kick off to what we think will be a great partnership.

Diamond Edge Band will be playing at the lodge EVERY SATURDAY NIGHT!!! The band will play 8-12. The LOOM will have the bar open for beer, soft drinks and set-ups for the brown baggers. The WOTM will sell food until 10pm. Currently they have hot dogs, BBQ sandwiches, nachos and cheese, chips, candy & popcorn. Volunteers are needed to work. You get to listen to great music and enjoy the dance after 10—for free. To volunteer contact Janet Aliff. We ask each member to volunteer 1 Saturday every 2 months. Thanks to those that volunteered for the first week, which was the Saturday after Thanksgiving.

We've kept the cost low to encourage everyone to attend as often as you can. Members get in for \$8.00 and non-members pay \$10.00. You will need to present your current Moose Membership card at the door to pay members rate. Help us pass the word—tell you neighbors, friends, family, co-workers — everyone you meet, that there is a dance in Hillsborough every Saturday night!

Co-workers—Jennifer, Anna, Cindy, Billie Ann, Jo-Ellen & Susan were the first to kick off our new fund raising project!

Tony Hamm worked the bar for the LOOM

Janet Aliff worked the door.
